

## Introduction

Making sure you will be legally able to study in Spain is an important part of your preparations to begin your studies. The student visa process can be time consuming, so we recommend that you read these instructions carefully and that you start gathering your documents as soon as possible.

**NOTE:** We are able to provide support during the visa application process, but we are not a visa processing agency. It is the student's responsibility to verify the visa requirements at their Spanish consulate and begin the process in time.

### Who Needs a Student Visa?

#### Citizens of the European Union and European Economic Community

If you are a citizen of the European Union, Norway, Liechtenstein, Iceland, and Switzerland, you **do not need a visa** to study in Spain. You do need a passport valid for at least six months after your program's end date.

#### All Other Countries

You need a student visa to study in Spain. You will be issued a visa that is valid for at least **90 days**. Within 30 days of entering Europe, you must apply for a student residency card in Spain. The residency card replaces the visa and is valid for one year. The staff in Valencia will give you instructions on how to apply for the residency card. You will need a passport that is valid for at least six months after your program's end date.

### How to Apply for a Student Visa

Get accepted. Check your consulate's webpage on how to make an appointment and for the requirements. Prepare your documents.					Go to your visa appointment (this is the ideal time).		Wait for your visa and prepare for departure.		Class starts.
DECEMBER	JANUARY	FEBRUARY	MARCH	APRIL	MAY 15 to	JUNE 15	JULY	AUGUST	SEPTEMBER

#### 1. Get an appointment at your consulate.

Contact your local Spanish consulate and see how to get an appointment for your student visa. Time slots may fill quickly; there may be a long wait, or appointments may be done on a walk-in basis. The date of your visa appointment is important because once your visa is issued, you must enter the Schengen area within 90 days. You can find the consulate that corresponds to you [here](#).

**2. Review the requirements, and prepare your documents.** Use the checklist on the next page as a guide, but carefully review your consulate's website. Most of the process and documents you need are the same, but there may be variations, so check with your consulate for specific requirements.

#### 3. Go to your visa appointment.

Arrive to your appointment at least 15 minutes early and make sure you have all of your documents including originals and copies. Check with the form of payment and the amount due for the visa application fee.

#### 4. Get your visa.

At your appointment you should ask how your passport and visa will be returned to you as each consulate works differently.

#### Where to Apply

You must apply at a Spanish consulate or embassy that corresponds to where you are a permanent resident or, if you are a student, where you currently go to school. You will most likely be required to show proof of residence wherever you apply.

#### IMPORTANT NOTE ABOUT THE CHECKLIST

This checklist is only a general guide. You must check the requirements at your consulate as the process differs at each location.

### Student Visa Checklist

✓ Use this sample form as a guide to fill yours out: [Sample Berklee Application Form](#).

- Your passport must be in good condition and have at least one blank page for the visa. For the two copies, copy the full, open photo/information page with your signature. Remember to sign your passport!  
✓ Scan your passport info before you give it to the consulate as they will keep it between four and eight weeks, and you might need to reference your passport information while they have it.

#### Passport-Sized Color Photos (two original photos)

- Photos must be two-by-two inches and on a white background. See photo examples [here](#).

#### Proof of Financial Means (original and one copy)

You must present **one of the following**:

✓ Other options to prove financial means may be available, so you should check your consulate's specific requirements.

#### Official Acceptance Letter, Program of Study, and Proof of Health Insurance (originals and one copy)

- Berklee will provide these three documents (written in Spanish) in your official acceptance package. Your acceptance letter will also suffice if the consulate asks for proof of housing.

**Certificate of Absence of Police Records (Background Check)** (original and **one** copy)

- The background check cannot be more than three months old. You must get a background check from the countries and/or states you have lived in for more than six months during the last five years.
- You will need to get the background check legalized. You should get an Apostille of the Hague Convention seal on the background check. If the country where the document was issued does not use the Apostille system, the documents must be notarized and then legalized by a Spanish consulate/embassy in that country. See the Appendix for more information.
- You will need a sworn translation of the legalized background check. See the Appendix for more information.  
*✓ If you have not scanned the background check yet, do it before you get the Apostille seal as the seal binds the documents together, making it difficult to copy or scan them.*

**Medical Certificate** (original and **one** copy)

- Request the medical certificate from a physician (you will need the original). It should include the following text:

*“This medical certificate attests that (student’s full name) does not suffer from any illness that would pose a threat to public health according to the International Health Regulations of 2005.”*

- The certificate must be on your doctor’s (M.D.) official letterhead and it must be signed by hand in ink. A doctor’s stamp is not sufficient without a hand signature.
- The certificate must be issued in your place of residence.
