VALENCIA GRADUATE ALUMNI AFTER BERKLEE Survey and personal outreach data - Spring 2017

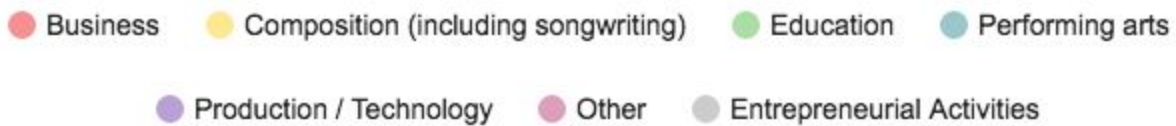

The campus in Valencia celebrates this year its 5th anniversary having graduated 4 classes of master's programs with a total of 441 alumni. The results in this report are based on the data gathered from an alumni survey and personal outreach which in total counts the information of 74% of the total body of Valencia graduate alumni from all four graduation years as of Spring 2017.

Active in the Music Industry

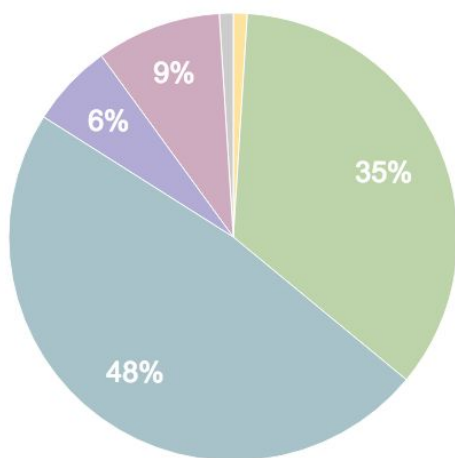

Overall, we find that 90% of the Valencia graduate alumni are currently working in the entertainment industry. Of these, 55% are employed and 42% are self-employed/freelance. The remaining are either studying, unemployed or working in other industries.

Areas of the Industry by Program

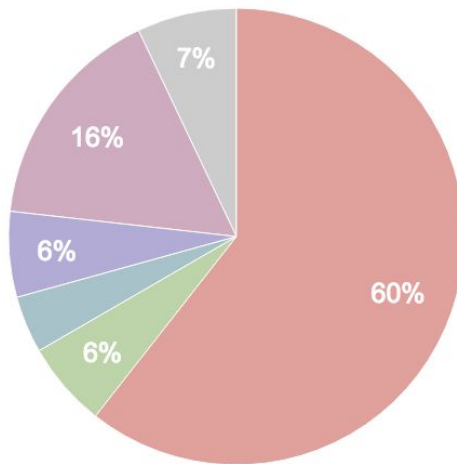

Most alumni are working within their area of study: 73% of the scoring alumni are working with composition; 60% of the business alumni work in the entertainment business; 44% of the MPTI alumni work in production and/or technology; and 48% of the performance alumni work in performing arts. Education is the second most frequented area of the industry for both performance and technology students.

Alumni around the Globe

After four years of graduating students, we now have alumni working in 44 different countries around the world. USA is the most popular country with 42% of the alumni working there and Spain is second with 13% of the alumni body. Within the US, the most Berklee-populated states are California with 33% and New York with 16%.

Alumni around the globe

Alumni in the US

Companies, Awards and Achievements

The Valencia alumni are currently working in prominent companies such as TIDAL, Spotify, Google, ASCAP, Red Bull, Warner Music, Live Nation, Superfly etc. Aside from music and entertainment-related companies we also have alumni working in creative and innovative companies like Jumpwire Media, which was highlighted as one of the 10 most innovative companies in media by Fast Company Magazine.

In the educational sphere many alumni teach at college degree level at Universidad San Francisco de Quito, Berklee College of Music, New York University Abu Dhabi etc. and notable conservatories like Royal Conservatoire of Scotland, Conservatorio Nacional de Música de México, Shanghai Conservatory Of Music etc. Please see appendix 1 for a complete list.

January 27, 2017
Iltaek Hong: Music Editor at Google Korea

February 27, 2017
Ricky Lucchese, Singer and Trombonist for Beyoncé's 'Lemonade'

Among the freelance alumni population, it has been an active year as well. A few highlights include the awards from Garden State Film Festival 2017 and the Royal Academy of Engineering. The Valencia alumni have also scored films, ads, and documentaries; toured in 30+ countries, and performed with cutting-edge artists such as Beyoncé and Alejandro Sanz. Specific alumni profiles with further information can be found [here](#).

Final Comments

Aside from gathering data on the alumni success with this survey, we also found that 19% of the alumni are interested in giving back to Berklee. They are mainly interesting in mentoring current students (over 75% of them), but also in supporting admissions or alumni events. Several also offered internship and/or job opportunities to current students.

The data gives a clear picture of the Valencia alumni's professional activities as of Spring 2017. Please do not hesitate to ask the International Career Center for further details if needed.
